ORCID

Did you know you can associate your ORCID ID with your ResearcherID account?

- I would like to create an ORCID record.
- I already have an ORCID record.
- No, thank you.

The Open Researcher and Contributor ID (ORCID, Inc.) is a non-profit organization that aims to solve the author/contributor name ambiguity problem in scholarly communication by creating a central registry of unique identifiers. These identifiers can be used within various systems you may interact with in your professional research workflow, including manuscript submission, etc.

By creating an ORCID you will be able to link your ResearcherID account with this centralized registry.

If you choose not to get or associate an ORCID, you can do it at a later time.
